## **Values and Vision**

**Growing together in strength, love and wisdom, we shine.**

### **“Let your light shine” Matthew 5:16**

‘Let your light shine’ encapsulates the Federation’s commitment to provide an enriching education which is deep and broad. Pupils will be equipped for life in all its fullness through our Christian values of strength, love and wisdom.

Learning will be a journey of fun and adventure, broadening the horizons of our pupils and inspiring them to be the best they can be. Within a nurturing environment, we will support our pupils to give them the strength to flourish as confident, resilient and independent members of society.

Christian character illuminates all aspects of school life, where everyone is understood and valued. At the heart of our safe and inclusive schools, pupils will be kind, patient and respectful - developing a love of one another, a love of learning and a love of life itself.

The aspirational curriculum will foster curious and creative thinkers, who will be encouraged to maximise every opportunity and be proud of their achievements. Pupils will find joy in seeking knowledge and learning new skills, as they grow together on their journey through childhood.

Our schools are forward-thinking and outward-looking. We will continuously improve and evolve together, in order to inspire pupils who leave our schools feeling excited and ready for the future.

## **Introduction**

Newhampton Church of England Schools Federation (Federation) is fully committed to the sustained improvement of its schools. Where concerns are raised by interested parties or simply through the continual and thorough self-evaluation process, we will investigate these matters thoroughly. We welcome feedback from parents/carers and other stakeholders and will always try to resolve any concerns as quickly as possible.

The formal nature of this Policy and Procedure ensures the Federation meets its statutory obligations when responding to complaints from parents or carers (parents) of pupils at the Federation's schools, and others.

When responding to complaints, the we aim to:

- Be impartial and non-adversarial
- Facilitate a full and fair investigation by an independent person or panel, where necessary
- Address all the points at issue and provide an effective and prompt response
- Respect complainants' desire for confidentiality
- Treat complainants with respect and courtesy
- Make sure that any decisions we make are lawful, rational, reasonable, fair and proportionate, in line with the principles of administrative law
- Keep complainants informed of the progress of the complaints process
- Consider how the complaint can feed into school improvement evaluation processes

We try to resolve concerns by informal means wherever possible. Where this is not possible, the formal complaints procedures will be followed. The school will aim to give the complainant the opportunity to complete the complaints procedure in full.

To support this, we will make sure we publicise the existence of this policy and make it available on the school website.

Throughout the process, we will be sensitive to the needs of all parties involved, and make any reasonable adjustments needed to accommodate individuals.

## **Who Can Make a Complaint?**

This Complaints Policy and Procedure is not limited to parents of children who are registered at a school within the Federation. Any person, including members of the public, may make a complaint to a Federation school about any provision of facilities or services that the Federation provides. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

Anonymous concerns or complaints will not normally be investigated under this Policy. The Executive Headteacher or Chair of Governors will determine whether there are exceptional circumstances to justify investigating the issues raised.

All staff will be made aware of this Complaints Policy and Procedure and are expected to review this Policy regularly in order that they are familiar with the Federation's process of dealing with complaints and can be of assistance when an issue is brought to their attention.

## **The Difference Between a Concern and a Complaint**

A concern may be defined as *'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'*.

A complaint may be defined as *'an expression of dissatisfaction however made, about actions taken or a lack of action'*.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. The Federation takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, the Executive Headteacher, Mr Ben Crompton, will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, Mr Ben Crompton will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, the Federation will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

## **How To Raise a Concern or Make a Complaint**

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf on a complainant, as long as they have appropriate consent to do so.

Concerns should be raised with either the class teacher or headteacher. If the issue remains unresolved, the next step is to make a formal complaint.

Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 2 of the procedure.

Complaints against school staff (except the Executive Headteacher) should be made in the first instance, to Executive Headteacher, Mr Ben Crompton, via the school office. Please mark them as Private and Confidential.

Complaints that involve or are about the headteacher should be addressed to the Chair of the Governing Body, Mr Matthew Topple, via the school office. Please mark them as Private and Confidential.

Complaints about the Chair of the Governing Body, any individual governor or the whole Governing Body should be addressed to the Governance Professional (Clerk to the Governing Body), Ms Carole Warner, via the school office. Please mark them as Private and Confidential.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the school office. You can also ask third party organisations like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

## Time Scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

## Complaints Received Outside of Term Time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

## Scope of This Complaints Procedure

This procedure covers all complaints about any provision of community facilities or services by the Federation other than complaints that are dealt with under other statutory procedures, including those listed below.

Exceptions	Who to contact
Admissions to schools Statutory assessments of Special Educational Needs School re-organisation proposals	Concerns about admissions, statutory assessments of Special Educational Needs, or school re-organisation proposals should be raised with Shropshire LA.

Staff conduct	Complaints about staff will be dealt with under the school's internal disciplinary procedures, if appropriate. Complainants will not be informed of any disciplinary action taken against a staff member as a result of a complaint. However, the complainant will be notified that the matter is being addressed.

National Curriculum - content	Please contact the Department for Education at: <a href="http://www.education.gov.uk/contactus">www.education.gov.uk/contactus</a>

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If a complainant commences legal action against the Federation in relation to their complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

## Resolving Complaints

At each stage in the procedure, the Federation wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

## Withdrawal of a Complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

## Complaints Procedure

### Stage 1

Formal complaints must be made to the Executive Headteacher (unless they are about the Executive Headteacher), via the school office. This may be done in person, in writing (preferably on the Complaint Form), or by telephone.

The Executive Headteacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 3 school days.

Within this response, the Executive Headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The Executive Headteacher can consider whether a face to face meeting is the most appropriate way of doing this.

*Note: The Executive Headteacher may delegate the investigation to another member of the school's senior leadership team but not the decision to be taken.*

During the investigation, the Executive Headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Executive Headteacher will provide a formal written response within 15 school days of the date of receipt of the complaint.

If the Executive Headteacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the Federation will take to resolve the complaint.

The Executive Headteacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 1.

If the complaint is about the Executive Headteacher, or a member of the Governing Body (including the Chair or Vice-Chair), a suitably skilled governor will be appointed to complete all the actions at Stage 1.

Complaints about the Executive Headteacher or member of the Governing Body must be made to the Governance Professional, via the school office.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Governing Body or
- the majority of the Governing Body

Stage 1 will be considered by an independent investigator appointed by the Governing Body or Lichfield Diocesan Board of Education. At the conclusion of their investigation, the independent investigator will provide a formal written response.

## Stage 2

If the complainant is dissatisfied with the outcome at Stage 1 and wishes to take the matter further, they can escalate the complaint to Stage 2 – a meeting with members of the Governing Body's complaints panel, which will be formed of the first three, impartial, governors available. This is the final stage of the complaints procedure.

A request to escalate to Stage 2 must be made to the Clerk, via the school office, within 10 school days of receipt of the Stage 1 response.

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within 2 school days.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 15 school days of receipt of the Stage 2 request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

The complaints panel will consist of at least three governors with no prior involvement or knowledge of the complaint. Prior to the meeting, they will decide amongst themselves who will act as the chair of the complaints panel. If there are fewer than three governors from the Federation available, the Clerk will source any additional, independent governors through another local school, in order to make up the panel. Alternatively, an entirely independent panel may be convened to hear the complaint at Stage 2.

The panel will decide whether to deal with the complaint by inviting parties to a meeting or through written representations, but in making their decision they will be sensitive to the complainant's needs.

If the complainant is invited to attend the meeting, they may bring someone along to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the panel meeting. However, there may be occasions when legal representation is appropriate.

For instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

*Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.*

Representatives from the media are not permitted to attend.

At least 10 school days before the meeting, the Clerk will:  
Complaints Policy and Procedure  
Autumn Term 2024

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the panel at least 5 school days before the meeting.

Any written material will be circulated to all parties at least 5 school days before the date of the meeting. The panel will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The panel will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The panel will consider the complaint, and all the evidence presented. The panel can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the panel will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The chair of the panel will provide the complainant and the Federation with a full explanation of their decision and the reason(s) for it, in writing, within 30 school days.

The letter to the complainant will include details of how to contact the Department for Education if they are dissatisfied with the way their complaint has been handled by the Federation.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Governing Body or
- the majority of the Governing Body

Stage 2 will be heard by a panel of independent governors.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the Federation will take to resolve the complaint.

The response will also advise the complainant of how to escalate their complaint should they remain dissatisfied.

## Next Steps

If the complainant believes the Federation did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 2.

The Department for Education will not normally reinvestigate the substance of complaints or overturn any decisions made by the Federation. They will consider whether the Federation has adhered to education legislation and any statutory policies connected with the complaint.

The complainant can refer their complaint to the Department for Education online at: [www.education.gov.uk/contactus](http://www.education.gov.uk/contactus), by telephone on: 0370 000 2288 or by writing to:

Department for Education

## Appendix B - Roles and Responsibilities

### Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the school in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of their complaint on social media and respect confidentiality.

### Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
- sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
- interviewing staff and children/young people and other people relevant to the complaint
- consideration of records and other relevant information
- analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the headteacher or complaints panel that sets out the facts, identifies solutions and recommends courses of action to resolve problems.  
The Executive Headteacher or complaints panel will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

**Complaints Co-ordinator** (this could be the Executive Headteacher / designated complaints governor or other staff member providing administrative support)

The complaints co-ordinator should:

- ensure that the complainant is fully updated at each stage of the procedure
- liaise with staff members, headteacher, Chair of Governors, Clerk and LAs (if appropriate) to ensure the smooth running of the complaint's procedure
- be aware of issues regarding:
- sharing third party information
- additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person
- keep records.

## **Clerk to the Governing Body**

The Clerk is the contact point for the complainant and the panel and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible.
- collate any written material relevant to the complaint (for example; stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale.
- record the proceedings
- circulate the minutes of the meeting
- notify all parties of the panel's decision.

## **Panel Chair**

- The panel's chair, who is nominated in advance of the complaint meeting, should ensure that:  
both parties are asked (via the Clerk) to provide any additional information relating to the complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child/young person
- the remit of the panel is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.
- if a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting
- both the complainant and the Federation are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the panel is open-minded and acts independently
- no member of the panel has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the meeting is minuted
- they liaise with the Clerk (and complaints co-ordinator, if the school has one).

## **Panel Member**

Panel members should be aware that:

- the meeting must be independent and impartial and should be seen to be so. No governor may sit on the panel if they have had a prior involvement in the complaint or in the circumstances surrounding it.
- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant. We recognise that the complainant might not be

satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.

- many complainants will feel nervous and inhibited in a formal setting. Parents/carers often feel emotional when discussing an issue that affects their child.
- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting. Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated. The panel should respect the views of the child/young person and give them equal consideration to those of adults. If the child/young person is the complainant, the panel should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the panel should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend. However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the panel considers is not in the child/young person's best interests.
- the welfare of the child/young person is paramount.

## Appendix C - Managing Serial and Unreasonable Complaints

The Federation is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with our school. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

The Federation defines unreasonable behaviour as that which hinders our consideration of complaints because of the frequency or nature of the complainant's contact with the school, such as, if the complainant:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
- refuses to co-operate with the complaints investigation process
- refuses to accept that certain issues are not within the scope of the complaints procedure
- insists on the complaint being dealt with in ways which are incompatible with the complaints procedure or with good practice
- introduces trivial or irrelevant information which they expect to be taken into account and commented on
- raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced
- changes the basis of the complaint as the investigation proceeds
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed)
- refuses to accept the findings of the investigation into that complaint where the school's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education
- seeks an unrealistic outcome
- makes excessive demands on school time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with
- uses threats to intimidate
- uses abusive, offensive or discriminatory language or violence
- knowingly provides falsified information
- publishes unacceptable information on social media or other public forums.

Complainants should try to limit their communication with the Federation that relates to their complaint, while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome being reached.

Whenever possible, the Executive Headteacher or Chair of Governors will discuss any concerns with the complainant informally before applying an 'unreasonable' marking.

If the behaviour continues, the Executive Headteacher will write to the complainant explaining that their behaviour is unreasonable and ask them to change it. For complainants who excessively contact the Federation causing a significant level of disruption, we may specify methods of

communication and limit the number of contacts in a communication plan. This will be reviewed after six months.

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from the Federation's schools.
