Message from the Head

This week I had the pleasure of visiting The Marches School with our Y3/4 Dodgeball Team! The team did so well and demonstrated teamwork, tenacity and skill as they navigated a whole host of other schools during the afternoon.

The team dodged, ducked, dipped, dived and dodged their way to success finishing a very comendable 4th out of 12 other schools.

A big thank you also to Mrs Edge who showed her Dodgeball expertise with some top notch coaching!

It was a wonderful event for the children and one of many coming up as we aim to give children from across the school as many oportuniutes as we can.

Online Safety

It is not up to school to control what Social Media content children are allowed to access at home. However, we urge you please ensure you are monitoring your children online.

Nationally there are more and more incidents of cyber-bullying and negative online relationships out of school which is causing anxiety in children and friendship issues both in and out of school.

Please remember any of the following apps are not to be used by primary aged children. The age restrictions are there for a reason.
