Message from the Head

It has been another sunny and successful week at school in which we celebrated VE Day on Thursday. With a bit of bunting and a row of tables, we were able to come together as a school family to have a celebratory lunch and commemorate the events of 80 years ago.

It was a lovely occasion, which also allowed children to make full use of the school field. As you are aware, we try and utilise the school field as much as possible over the summer months with lunches being served there when the weather allows.

SATs Week

Next week is SATs Week for our Year 6 children. During the week, our Year 6 children will be completing their statutory assessments in line with all other children of the same age across the country.

These assessments will take place in the morning, so please ensure all children are at school on time to minimise disruption.

Miss Jones will be running a special SATs Breakfast for our Year 6 children which will be more fun than it sounds!

At the end of the week we will celebrate the achievements of our Year 6 children which will include a special visit from an ice cream van! They will be with us at 2.00pm and stay for about half an hour. This is a real treat and so we are kindly asking for a voluntary contribution of £2 per child towards the cost.

Spreading The Word & Social Media

We have got so much to shout about at Welshampton and to ensure that both current and prospective parents know about it, we are making an increasing effort to be active on social media most notably on Facebook and Instagram.

If you have accounts, please do give us a follow and share content for everyone to see to ensure that everything we are currently offer can be sustained and improved still further. As funding is linked to the number of children on roll, it is important that the number of families choosing Welshampton is high so we need spread the word!

Tortoise Short Stays

Our school tortoise, Bubbles / Sebastian, is looking for kind families to look after him over weekends. Whilst he is happy staying at school, he/she has expressed a desire to spend time touring the homes of the Welshampton family at the weekend and during holidays.

If you would like to look after him / her, please put your name on the board outside the entrance and Miss Kerr will coordinate!

Everything is included in the stay – home, bedding, food - and you are welcome to look after him / her for absolutely no cost! Thank you.
