## Message from the Head

As we approach the end of what feels like an incredibly brief half term, I am sure we are still looking forward to the upcoming half term break! This moment presents a timely opportunity to express how much your support, encouragement, and positivity is welcomed by the school and beneficial for the children.

At Welshampton we have a wonderful wider community and we want to do all we can to preserve that which means that sometimes we need to be mindful of how negative interactions with school staff can have a detrimental impact on children and staff welfare. I am pleased to emphasise that such conduct is very rare at Welshampton and long may that continue.

While there are undoubtedly occasions when parents may have questions, queries, or concerns, we welcome these discussions in a constructive, respectful, and calm manner. Please do not hesitate to approach our staff to arrange a meeting should you feel it necessary.

Together, as we strive toward the same goal of ensuring our children thrive, it is a privilege to be part of such a joyful and supportive school environment.

## Safeguarding Alert

Although not immediately in our local area, I would like to inform you of reports of incidents that happened in the village of Malpas near Whitchurch recently. Two men were sitting in a car filming a young child as she passed by - these 2 men were talking about the child and recording her on their phone. There have been further reports of a man inappropriately approaching children on the high street and in a local park. The police were informed.

We would also advise you to be vigilant in the local community and ensure your child has appropriate supervision at all times, especially when playing out.
