Message from the Head

This week some of our children have completed their statutory assessments in Phonics in Year 1 and the Multiplication Checks in Year 4.

Whilst these assessments have a level of importance for school, they also represent a key milestone in children's development.

Phonics knowledge is the foundation for all reading and is crucial to children being able to access their education as they grow older.

Times tables underpin a significant proportion of the mathematics curriculum and having a secure knowledge will make maths lessons easier for the children forever!

Well done to all the children who have completed these assessments and worked so hard in the lead up with the support of staff and parents.

Sports Day is Next Friday

A reminder that this year's Sports Day is next Friday with parents welcome on to the playing field from 9:00am for some pre-event breakfast with the children joining us from about 9:15am.

This promises to be another special event in the Welshampton calendar and don't forget to bring your trainers.... and picnic for lunchtime which you are invited to stay and share with the children.

Parents are asked to depart at 1pm for the children to enjoy an afternoon of learning back in the classroom.

Father's Day Special

Thank you to all those who attended the – now annual – Father's Day Breakfast and Tug-of-War event! Who'd have thought it would be so competitive!? We hope the injuries aren't too bad – but now that the school has invested in our own rope, expect it to be wheeled out at every opportunity!

David Evans Trophy

Congratulations to Luke who was last week awarded the David Evans Trophy for his outstanding sportsmanship at Welshampton over the last 12 months.
